

Join the MCL Consortium!

And move your organization into the Information Age of Mass Customized Learning

Membership Benefits

- ✓ Learning opportunities that includes two regional summit per year, focus group events and other resources (*Membership includes 4 complimentary registrations for the biannual summits*)
- ✓ A Learning Community that creates a unique network of educators who are passionate about creating a better educational system
- ✓ Access to information from the MCL National Alliance
- ✓ Discount services from the Pennsylvania Leadership Development Center (PLDC)

Enroll Now

All partners in the educational sector can enroll in the MCL Consortium. Membership includes public schools, charter schools, universities and business. The MCL Consortium is open to any educator who wants to dislodge the industrial age model of schooling and become radically learner-centered.

The investment to join the Consortium is **\$1,000 per year** and includes all the membership benefits listed above, *plus much more!*
